Dhaka, Bangladesh · available remote now, Germany from 2027

Licensed architect (IAB, Bangladesh) with 7+ years across residential, mixed-use, institutional, healthcare and religious buildings. Founder and lead of Spaceverse Ltd., a seven-person design practice in Dhaka, and of Smart Home Mentor. I build precise Rhino models, run parametric studies in Grasshopper and produce final images in D5 Render; on site I carry projects from approval drawings through construction detailing and supervision. Seeking an architectural visualization or architecture role in Germany, on-site or remote.

EXPERIENCE

Jul 2022 – **Founder & Lead Architect, Spaceverse Ltd.** — Mirpur, Dhaka
Building design, interior, landscape and 3D visualization. Clients include LGED, Mymensingh City Corporation, Asset Developments and private developers; work from concept and visualization to RAJUK approval sets and site supervision.

Jan – Apr 2026 **External Lecturer (part-time), Department of Architecture, HSTU** — Dinajpur
Hajee Mohammad Danesh Science and Technology University. Taught “Computer Graphics” (ARC-222), second-year architecture.

Feb 2024 – Feb 2025 **Architect (part-time), Nippon Koei Bangladesh Ltd.** — Gulshan, Dhaka
Architectural design and 3D visualization for the Southern Chattogram Development Project (SCRDP), a design-supervision and management consultancy for LGED; 2,260 hours.

Feb 2020 – Jul 2022 **Architect, VolumeZero Ltd.** — Gulshan, Dhaka
Architectural detail design and visualization; 6,215 hours.

Sep 2019 – Jan 2020 **Assistant Architect, Age & Edge Architecture Studio** — Mohammadpur, Dhaka
Design department.

Aug 2017 – Sep 2018 **Intern Architect, Bose & Partners** — Khulna
